# INSPIRATION – PERFECT FOR EVERYDAY USE

## 灵感 — 日常生活的完美选择

第一印象的关键是令人舒适让人们产生信任。接待区赢得青睐的因素包括颜色、形状、光线和植物。这些是品牌形象最具影响力的元素。因此，将一些休闲空间与正式的接待柜台结合起来是一个好主意。

LIFE.S Interaction的设计旨在增加社交互动。我们为敏捷会议提供的多功能解决方案是一张带长凳的站立式会议桌，可用于沟通区或餐饮区。

### PRODUCTS:

LIFE.S Interaction & Stool, QUIET.BOX booth, ACTA locker, ACTA.MODUL cabinet, N.W.P sofa

The first impression is key when it comes to being likeable and inspiring trust. Factors that win favour in reception areas include colours, shapes, light and plants. This is where your brand image has most impact. So it can be a good idea to integrate some casual spaces alongside the more formal reception counters: the INSIDE.50 counter for instance can be complemented by a café, library or organically designed lounge areas – the result is a versatile multi-purpose space.

For example, LIFE.S Interaction invites social interaction. Our multifunctional solution for short meetings is available as a stand-up table with benches for communication and bistro areas.

# COWORKING, FLEXIBLE AND CONVENIENT

## 共享办公，灵活便捷

敏捷的工作方式，您需要更灵活的解决方案。例如，您可以在LIFE.S Indoor的长凳上与团队开展讨论，而不是会议室。我们可以在任何地方安排多达六人的自发会议。在房间布局需要改变时，只需将其重新布置。可选声学落地侧屏营造出私属空间，并降低整个噪音水平。

For an agile working approach, you need more flexible furnishing solutions. For instance you could assemble your team at the LIFE. S Indoor Bench instead of in a meeting room. Our solution for spontaneous meetings with up to six people can be set up anywhere – and simply relocated when the room layout needs to change. Optional acoustic absorbers create a sense of being screened off and reduce the noise level on the whole floor.

现在的人们认为，站立沟通不仅效率高，而且更有效。如果有条件，也许这种效果会更强！LIFE.S Interaction是我们为简短会议提供的多功能解决方案：根据环境，它可以放置在您需要的任何地方，它是开放空间的理想选择，可用作带长凳的站立桌，尤其适合洽谈交流，甚至也可以当作用餐区。

It is now considered a fact that stand-up meetings are not only shorter, they are also more effective. If they could also offer flexible conditions, maybe it would intensify this effect! LIFE.S Interaction is our multifunctional solution for short meetings: it can be positioned wherever you need it depending on the office situation. It is the ideal choice in the open space as a stand-up table with bench seats, especially for communication and bistro areas.
